I'm told Philip is getting you a room now...he's supposed to drop a note when he's got it nailed down...more soon!

Hi Gina – Help. Am on phones now and have not had a chance to obtain lodging yet ! if you get a chance, I'd greatly appreciate finding a room near Silverton. I get to Durango Monday night (midnight) and got a room at the HI. So, I would need a room somewhere near to where I am to be working from 8/18 through the end (which I will presume to be 8/29).

If you can't, just let me know and I will try tonight.

Per Steve-Cascade village / Purgatory or Canyon-view motel Silverton. But let me know if you need some help calling/setting it up.

Hi Mike,

Clarification (unless something has transpired that I don't know about)-you'll fly to Durango but then drive north to Silverton, that is where Mr Way is working on the GKM site. I will find out hotel info and pass it along.

Craig, if you can weigh in on approvals or any changes, that'd be great, thanks!!

Since I am not entirely sure of the process and the level of proof we'll need...

It is my understanding that R3 (Fran Burns, acting for RM Bonnie Gross, and my Supervisor (Heston)) has approved my travel to R8. I now have a flight to arrive late Monday night and vehicle rental. Will work on hotel in Durango.

Just let me know if all this will come to pass and give me a decent amount of time to cancel if needed.

Thanks.
